To,

The Secretary to the

of Mysore.

Sir,

I have the honor to request you will obtain the Chief Commissioner's sanction to a temporary increase to the Kolar District Police, of 6 Duffadars and 36 Peons at a monthly cost of Rupees 270 vide Statement attached.

2. I propose that this increased force, the cost of which can be met from savings in Establishment, should be entertained only up to the end of June.

3. Owing to the scarcity, crime increased considerably during the past year, and the Police have been called upon to perform much heavier work. The comparative table in the margin gives the number of cases of Dacoity alone during the months of January

Dacoity	For January to July

January and February for the past 3 years. The figures speak for themselves [redacted] and require no comment. To check this increase I have thought it necessary to direct that in Districts where the Magistrates consider it desirable the beat system should for the present be discontinued and a preventive system of night Patrols be substituted.

4. I have hitherto refrained from recommending any increase to the force and have rather discouraged applications to that end, but the present condition of the Province renders it necessary that some slight assistance should here and there be given.

5. The scarcity and consequent incentive to crime must I fear continue for some 2 or 3 months at the least, and the strain on the existing Police Force is too great. For the Madras Presidency material increase to the Force has been sanctioned for some months past.

I have the honor to be

Sir—

The Inspector General

To The Secretary to the
Chief Commissioner of Mysore.

Sir,

I forward for the information of the Chief Commissioner a Statement showing the Number of heinous Offences committed, & reported during the first Months of the Current year. From this, it will be seen how decisive and Super Crime is in the Province, I have repeatedly written to the Chief Commissioner is aware), from applying for increased to the Police Force generally, as I was unwilling to add to the already heavy burthens imposed on the finances of the State. I had hoped too that with seasonable weather and improved agricultural prospects, a great diminution in Crime might ere this be looked for. As timely rain has failed us, and prospects are still gloomy, I feel that I shall not be justified in longer withholding an application for assistance. I would ask

the Chief Commissioner's sanction to my incurring an expenditure not exceeding in the aggregate Rs. 500 per mensem per District, to commence at once where needed and to continue for such time as may be necessary. The precise number sanctioned in each District would be separately reported. The requirements of the Districts vary, so that what may not be wanted in one District should be available for the extra need of another, but the aggregate of Rs 4000 per mensem for the Province will not be exceeded.

2. I shall be in a position to meet this expenditure from savings in the Police Budget, partly by the postponement of works and also by curtailing other expenditure, which though desirable must give way to this more pressing requirement.

3. The increase to the extent now asked for is absolutely necessary: indeed, if the conditions of the Province do not improve, I fear that what I have asked for, may prove insufficient.

4. Wide spread want & suffering have made the people lawless & desperate, so that our existing Police Force is not

fitted successfully to cope with the evil. The issue of additional Police forces now asked for will not in itself avail much.

5. Employment for the people is what is required and I would ask that the Commissioners and the District officers may be urged to afford work in such portions of their jurisdictions as may not now be sufficiently provided for.
